

FLAMENCO DANCE WORKSHOPS at CASA DE FLAMENCO with Sebastian Sanchez (Jerez/Brisbane)

11, 12 & 13 September 2009

Sebastian started his flamenco career in 2000 the 'Flamenco Studio' academy with his first teacher Simone Pope. First as student and then as teacher, he was a member of Simone's company, 'Jaleos Flamenco'. As a dancer in the company, Sebastian participated in various concerts and festivals including the Woodford Folk Festival, The Valley Fiesta and the Queensland Multicultural Festival. He also participated as guest artist in Australia's only national flamenco company, 'Flamenco Fire'. After several years as dancer, Sebastian became co producer of the company 'Dale Caña' and also acted as principal dancer and percussionist. As a member of 'Dale Caña', Sebastian performed regularly including at important functions for the Spanish Ambassador in Australia. With a view to progressing in his artistic career and influenced by his roots, Sebastian, as the son of Spanish parents, travelled to Andalucia. During his stay in Spain, Sebastian continued progressing and took classes with international artists such as Rafael Campallo, Adela Campallo, Ángel Muñoz, Andrés Peña, Pili Ogalla, Juan de los Reyes, and Ana Maria López. He attended daily classes in Seville with Manuel Betanzos since early 2008 until recently returning to Australia. Using his new experiences and techniques, Sebastian also taught various levels as guest teacher at the 'Barrio Flamenco' academy in Moscow, Russia and is currently performing and teaching again in Australia.
